Philippians 2:14-18

No grumbling or questioning, children of God who shine like lights in the midst of a crooked and twisted generation.

God says, "I want my children to be different, shining like lights." We should be confident-trusting God. People should flock to us because we have peace. We must remain in the midst of the world.

Authority of God-Do you recognize that God has the authority to speak into your life? Just do what I ask you to do!

Paul told the Philippians to hold fast to the Word, so that in the day of Christ-I'll be proud of you, that I didn't do all of this work in vain. God will rejoice in this!

Paul doesn't mind the abuse in prison, as long as his people are ready for the day of Christ. When He returns, we must look forward to it daily.
